8. Our customers:

8. Our customers:

On October 17, 2023, Minsk Automobile Plant JSC China Purchasing Director and Belarus Purchasing Director visited our factory and reached a friendly long-term cooperative relationship.

9. Our advantage:

EAST AI has advanced processing workshops: a workshop for processing tubes and a workshop for processing Chrome rods, which can provide up to nearly 300 tons of goods per month. At the same time, they have close cooperative relations with steel mills, such as Daye and TPCO, to ensure the quality of raw materials. Their logistics services are also very good, with professional freight forwarders, to ensure that each batch of goods can arrive at the port on schedule.
